This year's golf tournament proceeds will not benefit just one charity but many. Our Association Chapter receives many requests throughout the year for fiscal donations and we feel that giving 100% of our annual fund raising cause to one organization does not allow us to share and give to the many citizens, charities and organization in such dire need, especially in these tough economic times. Our goal is to use the proceeds throughout the rest of 2009 and 2010 to reach out to charities and groups that struggle to achieve their goals in giving to the citizens that struggle in these tough times, whether through financial or personal hardships.
